2016 Pioneer Contract

I agree to follow the "Attendance" policy requiring me to participate in all camps, rehearsals, performances and events. I understand school activities are important and may conflict with Pioneer's schedule. I agree to communicate conflicts 2 weeks prior to the Pioneer event and coordinate with management for any necessary follow-up (e.g. drill changes during absence).

I agree to follow the "Code of Conduct" policy prohibiting the use of drugs and alcohol, profanity, stealing, and smoking. Failure to follow these rules may result in immediate dismissal from Pioneer.

I agree to follow the "Tour Conduct" policy such as requiring me to use the "LL Bean Adventure Bag" provided by Pioneer and to always representing Pioneer in a professional and positive matter.

I agree to pay my financial obligation of \$2800 on or before June 1, 2016 to Pioneer for the 2016 season as outlined. I further agree if I choose to leave or am asked to leave Pioneer for any reason any amount already paid is non-refundable. I further understand if my membership fee is not paid in full by September 1, 2016 the amount owed will be sent to a collection agency and a fee of 15% of money owed will be added to the amount.

I agree to follow the DCI and WGI rule that includes I have no outstanding financial obligations to other drum corps organizations (drum corps, winter guard and drumline) or possess equipment(s), uniform(s) or an instrument(s).

I am responsible for the care of the Pioneer equipment, uniform and instrument issued to me and further understand I may be liable for repair costs. I further acknowledge this includes the "Uniform Etiquette" policy and the "Pioneer Vehicle Etiquette" policy outlining misuse and damages.

I agree that failure to meet any financial obligations or commitments as outlined in this contract constitutes cause for immediate dismissal from Pioneer. Should this take place for any reason, membership fees paid will not be reimbursed.

I agree to abide by the Pioneer's "Social Media Etiquette" policy requiring me to post responsibly and professionally on all electronic forums such as social networking sites. I further agree to not create blogs or social networking sites without the prior written approval of Pioneer management.

I authorize Pioneer the use of my likeness in any and all publications, including but not limited to printed and digital materials and publications.

I agree to provide a copy of my birth certificate and a complete (signature is required) medical form.

CREDITS

Early Pay Discount: Full payment of dues before March 17th will qualify for a \$200.00 dues discount.

Veteran Discount: \$100.00 for each year of service (i.e. a year = a minimum of 8 months) Pioneer values your learned skills, experience and leadership abilities achieved.

Family Discount: The first two members of the same family will incur standard membership fees. Any additional family members will be free during the same season. It is a compliment to have you in our Pioneer Corps family

Recruiting Discount: For getting another person(s) to join & remain in Pioneer for the entire season will get you a \$100.00 discount for each person that you recruit.

SOPY Forms: Sponsors of Pioneer Youth = forms available at every camp. 100% of all money collected is applied towards member's dues or personal expense accounts, not to exceed \$3,000.00. These tax-deductible donations are to be made out to the Pioneer Corps on behalf of the member. All donations are Non-Refundable, and Non-Transferable to other members

Bus Seating Priority: An incentive for paying your dues in full is that you are able to pick the location of your summer's bus seat, in the order of the date received.

Date Credit is given: The implementation of all credits from SOPY's, veteran discounts, and recruiting will be applied to your 2016 dues at the May, 2016 camp.

Refunds: All refunds will be given only in the form of credit. The credit may be applied to the following year's fees if in the event that one is not able to continue to participate for any reason. Refunds are NOT transferable to any other member.

BINGO Credits: Credit will be given for each occasion that a parent, booster, or member helps at a bingo session.

BENEFITS

All summer touring transportation on Pioneer buses

All summer housing facilities

All winter and summer music and visual Instruction

All entrance fees to culture events, theme parks, historical sites, etc.

All use of Corps instruments, uniforms, and equipment

At least 85% of all summer meals (eat out meals occur while the Corps is on the road traveling).

The Pioneer Corps banquet that includes a dinner, awards, and entertainment.

WE ONLY LOOK EXPENSIVE!

Any way that we look at it, \$2,800.00 is a lot of money, no doubt about it! But in DCI World Class, all Corps use the latest equipment models, brilliant uniforms & costumes, and travel extensively for 70-80 days performing in front of thousands of people. But let's consider how the money is used and the benefits you receive:

- ♣ A great majority of it goes for the Summer Tour (about 75 – 80 days on the road).
- ♣ Some expenses from the 5 months of Rehearsal Camps
- ♣ Transportation of Members, Staff, Equipment, and Food.
- ♣ Professional Instruction, Music Arrangements, and Visual Designs
- ♣ 85% of all meals on Tour (3 meals per day) + an Awards Banquet
- ♣ Use of Musical Instruments and Guard Equipment
- ♣ Use of Corps Uniform (including periodic cleaning)
- ♣ Staff traveling expenses.
- ♣ Shoes,
- ♣ Brass member's Valve Oil,
- ♣ (3) Uniform T-shirts,
- ♣ All Percussion Sticks,
- ♣ (1) Pioneer Dress Shirt,
- ♣ Guard Member's Flags/Pole,
- ♣ (1) Bar of Irish Spring,
- ♣ (1) Tour Video,
- ♣ (1) Rain Poncho,
- ♣ (2) Pair of White Gloves,
- ♣ Rifles/Saber's (1) Pair of Gloves,
- ♣ (4) Pair Black Socks,
- ♣ (1) Water Jug,
- ♣ (1) Tour Book,
- ♣ (2) Names Shirts,
- ♣ (1) Pioneer Hooded Sweatshirt and
- ♣ (1) Large Group and Frame-able Photo
- ♣ End of Season

PIONEER CORPS JACKETS

First year members who have their dues paid in full by the MAY CAMP will receive their Corps jacket. Those fulfilling their entire financial obligation late will have to wait until the following year, once their dues are paid in full.

PAYMENT SCHEDULE

Payment 1	\$700.00		February Camp
Payment 2	\$700.00	<i>TOTAL = \$2,800.00</i>	March Camp
Payment 3	\$700.00		April Camp
Payment 4	\$700.00		May Camp

This Contract represents the entire understanding and Agreement between the parties relating to membership that includes equipment, instrument, uniform and accessories provided by the Pioneer Drum & Bugle Corps and Color Guard, Inc. No other terms, conditions or agreement purporting to modify or explain any provision of this agreement shall be effective unless in writing and signed by representatives of both parties authorized to amend this agreement.

I have included with my Membership Contract the required copy \$350 non-refundable deposit to secure a position with Pioneer. These monies will be deducted from my overall balance of \$2,800.

COMPETITION: We embrace competition as an opportunity for constant improvement and measurement of the growth of our performers.

PROFESSIONALISM: We will demonstrate and expect the highest level of ethical behavior from our Teaching and Support Staff by always doing the right thing for the right reason and in the right way.

COMMITMENT: We expect all of our personnel to effectively complete their responsibilities by doing the very best that they can at all times. Commitment fosters success.

RECOGNITION: We recognize, acknowledge, and reward positive behaviors and results in visible ways. We will celebrate our successes and encourage those successes throughout the Corps.

TRADITIONS: We will perpetuate our Irish Heritage as our identity trademark and endeavor to be, "Better Every Day!"

Irish Themed

Pioneer has a tradition of Irish and Celtic influence in its uniforms and musical programs. This and the Corps' shamrock logo are a heritage of the Imperials of St. Patrick.

Why Garry Owen

Whether it is a part of the year's musical program or not, since the mid-1990s, at the conclusion of each performance, Pioneer has marched off the field and/or "trooped the stands" (marched across the front of the grandstand in parade formation) while playing the traditional Irish air Garryowen (better known as the Garry Owen march). It has developed as the primary parade song along with Star and Stripes.

Corps Motto

"Better Every Day" - Since the Corps' days in Division III, Pioneer's motto has been, "Better Every Day." This motto had been used by the Marion (OH) Cadets D&B Corps, who, in 1990, allowed Pioneer to also use it.

Corps Prayer

Thank you Lord, for the togetherness and friendship we share
for the hard working Members of the Corps, and for the Corps itself.
Instill in us, the true spirit of competition, taking the pain of losing,
with the joy of winning and all with a smile.
Remind us lord, that by doing the very best we can at all times,
we will have a winning Corps.

What is the Dictionary's Definition of Pioneer?

- : A person who helps create or develop new ideas, methods etc.
- : Someone who is one the first people to move to and live in a new area

MEMBERSHIP REQUIRED FORMS

Please turn in the Membership Contract, Medical Form and birth certificate as required by Pioneer and DCI as soon as possible and/or prior to the start touring season (June 1st). These forms are available for download at pioneer-corps.org or paper copies are available at any of the winter or spring camps.

Financial Obligations

Please review the Pioneer Financial Obligation sheet so you fully understand your financial commitment to Pioneer.

Membership Contract

This contract provides a full agreement between Pioneer and you as the Member. It outlines your Financial Obligation and adherence to the necessary policies. You are required to have a signed Membership Contract in place prior to leaving on tour.

Member Audition Application

The Pioneer audition information is required for communication, to document emergency contact details and to share required Drum Corps International Governing Board questions. This must be filled out prior to participating in any camps or rehearsals with Pioneer.

Medical Authorization Form

This form details your medical history, insurance information, and authorizes Pioneer to direct medical treatment in case of an emergency. The details required on this form have been thoroughly reviewed by the Drum Corps International Governing Board, including the necessary physician's signature.

Birth Certificate

Drum Corps International requires us to have a birth certificate on file for each Member. THIS IS EXTREMELY IMPORTANT. PLEASE SUBMIT YOUR BIRTH CERTIFICATE AS SOON AS POSSIBLE. This can be a copy of the original.

GENERAL POLICIES

The policies, guidelines and required etiquette in this section apply to all camps, spring training, mini tours and World Class tour.

Attendance

In order to maintain the high level of performance excellence, we must have full attendance at Pioneer camps, spring training, performances and events. The audition process will include a consultation with Staff and Management on your expected commitment.

Please clear your personal schedule so you can attend all trainings, rehearsals and camps. We understand school activities are important and may conflict with Pioneer's schedule. You are required to communicate conflicts 2 weeks prior to the Pioneer event and coordinate with Membership Management for any necessary follow-up.

Practice Facilities

We are very fortunate to have practice facilities. From January through April we will use several rehearsal sites. We have developed a strong, long-term relationship with all the schools we use. Please leave the facilities better than you found them. If you move chairs or desks, put them back. Do not write on chalkboards, drum on tables, or throw garbage on the ground.

PLEASE DO NOT contact any of the housing or facilities directly

Public schools have a No Smoking policy on campus; the Pioneer goal is to have all Members not smoke. There will be NO SMOKING on school grounds or in school facilities at any time. If you must smoke, you must leave the school property. This policy also applies to Pioneerland. You are not allowed to smoke during rehearsals or on your breaks.

We have the advantage of having our own practice field, Pioneerland, which will be our primary facility after April. There are many hard-working people who make it possible for us to practice there. Please do not dig your marks into the ground or leave garbage (cups, cans, cigarettes) around. Pioneerland is our home for the entire summer. Please take care of it.

Uniform Etiquette

Being a part of Pioneer means that you are now a member of a World Class Drum and Bugle corps. You are now responsible for continuing the Pioneer' trademark tradition of excellence in performance and appearance. The following guidelines are to be followed in wearing and caring for your Pioneer uniform.

- **The "Disney Way"** When you are in full uniform or in any part thereof, you are expected to not run, curse, eat, or drink. When you are wearing the uniform you are not looked upon as an individual but as a member of the Pioneer Corps. Most of the fans who see you behind the scenes will take their opinion of you as their opinion of the entire Corps – because they do not know you. Remember that 11

from our arrival at a performance site until we leave the parking lot, we are, “*on stage*.” The audience must never see you out of character in the same way that they wouldn’t go to Disney Land and see one of the actors milling around in half of the costume at the snack bar.

- Each musician’s uniform consists of a hat, jacket, sash, pants, black socks, black shoes, and white gloves. Make sure that your uniform is always complete, and is stored properly between performances.
- Do not change into or out of your uniform outside in public view. “Class” is expected of each member
- The uniform is designed for a specific, consistent image throughout the corps. Nothing is to be added or subtracted from any individual uniform. If you wish to wear any mementos or good luck charms, attach them to your shirt in such a way that they are not visible when you put on your jacket.
- You must wear the proper undergarments while in uniform. Even though these items are supplied by you, they are required parts of the uniform. These items include black socks (no stripes), white Pioneer T-shirt, and underwear. Spandex shorts are recommended and prevent the visibility of undergarment lines through the thin material of the uniform pants. They also provide for a cleaner look to the wearer.
- Your Pioneer uniform cap should be worn so that you can fit only 2 fingers between the brim of the hat and the bridge of your nose, flat on top and right above your eyes. Proper fit is your responsibility. If it is not secure, wear the clear strap provided by the corps. Do not allow your cap to fall off.
- It is your responsibility not to lose your gauntlets. They should fit snugly. If necessary see the Uniform Department for guidelines as to proper fit and proper wear. The Uniform Department can also supply safety pins if necessary. Do not allow your gauntlets to fall off!
- Men’s hair length will not be an issue as long as you are able to get it pinned up underneath your hat. Our preference is that your hair be nicely trimmed at the top and faded at the sides (a short haircut). Regardless of the way you choose to wear your hair, no hair should touch the top of your ears or the collar of your jacket. Facial hair (beards, mustaches) is acceptable if it is kept tight and neatly trimmed at all times while in uniform. Long sideburns are not acceptable.
- Women’s hair must be braided, pinned up, or in a bun so that there is no hair showing outside your cap. Makeup may be worn in a conservative manner.
- You may not wear any jewelry while in uniform (watches, necklaces, earrings, bracelets, etc.). It is acceptable to wear a religious pendant such as a cross, star of David, etc. on a chain as long as it is not visible outside of the uniform.
- Medical alert bracelet or necklace is permitted.
- Smoking is not allowed when you are wearing any part of your uniform.
- Remember that when you have on your uniform, you are a representative of the entire Pioneer organization. Please exercise common sense and good judgment in your choice of language and behavior.

“Property Of” Member Shirts

Pioneer provides Members with “Property of the Pioneer” t-shirts each year. These shirts are the informal uniform that is worn at the clinics we may conduct through the winter and spring. They are to be kept in their original condition and are not to be cut, ¹²

cropped or otherwise personalized with anything other than your name until the competitive season is completed.

Code of Conduct

The goals and objectives of the Pioneer are many. Our priority is to provide a quality educational experience for our Members. As we strive to be the best competitively, our focus must be on setting new standards both creatively and through performance. With our hard work and dedication we will remain one of the elite of the activity, respected by our peers and audiences.

We are a team sport in which we all depend on one another to perform at the highest level. In order to achieve our goals, all performers must adhere to the same policies, rules and guidelines. If we fracture as a group, we as individuals will perform at a lower level.

Pioneer Shirts

Pioneer prefers, but does not require Staff and Members to wear a Pioneer shirt every day during the season. For this reason the Corps provides and sells shirts and jackets so Staff and Members can demonstrate their Pioneer pride. Even though Pioneer does not require Members and Staff wear a Pioneer shirt each day, we do require Members and Staff NOT wear an article of clothing with the name of another corps on it. For example, a Green Bay Packer player would not walk around wearing a Chicago Bear's shirt.

In addition, some areas of the country require that all males and females wear a t-shirt regardless of weather. These days will be announced to Members and recommend you wear your Pioneer shirt.

Pioneer Jacket

Your corps jacket is an extension of the Pioneer Corps uniform and a reflection of the Corps image. By wearing your jacket properly and with pride you are helping continue our tradition of excellence. This is a policy which is taken very seriously by the Corps Management and Staff. The corps has the right to revoke your privilege to wear the jacket at any time for infractions of the rules or any behavior deemed inappropriate for a member of the Pioneer.

Church Services

When possible, the entire Corps is expected to attend a Sunday Service. The time of the service will vary by location. All Members are expected to attend regardless of their practicing religion preferences. All must dress appropriately, be well-mannered and well-groomed. Pioneer will alternate denominations to offer a different experience.

Cell Phone Policy

Pioneer allows limited usage of cell phones during designated rehearsal times for the season. Rehearsal is defined as any activity required to improve endurance, music performance and visual performance. This could include, but is not limited to, stretching prior to the instructional segments to the Member performance recap and coaching meeting at the end. During each rehearsal Member's will have blocks of personal

time. This intermediate time such as lunch or dinner cell phone usage will be permitted. All other times are considered rehearsal and the Member's cell phone will be expected to be in their backpack or with their personal belongings on the bus, not stowed in a pocket or anywhere on their person. Failure to follow these rules will result in having the cell phone confiscated for the entirety of the rehearsal and returned at the convenience of the Tour Manager at the conclusion of rehearsal. This policy is very similar to the one NFL players are required to follow.

Personal Time

Personal time is the time between rehearsal segments typically allocated for lunch, dinner, snack or rest/relaxation. This time is your time and is extremely important to Pioneer to help ensure your health and well-being. This policy is used to help everyone including the Members, Support Staff and Teaching Staff replenish their physical and emotional batteries in order to better rehearse or perform duties required during the day. To encourage this the Staff WILL NOT require teaching staff-lead rehearsals, assign tasks to Members or rehearsal-related duties during this time.

Practicing During Personal Time

Personal time such as lunch, dinner and rest/relaxation time is **very important** to Pioneer and for this reason we have created policies to ensure that Members receive the full benefit. Pioneer requires all Members to take a full break for many reasons including health, safety and general well-being.

- Members are not permitted to have an organized rehearsal or sectional during personal time. Meaning, the teaching staff or sectional leader is not allowed to require time out of your break for rehearsal type activities. For example, the trumpets cannot require all members of the section to practice during dinner. However, having a collaboration meeting with a section leader is acceptable.
- Members will be allowed to "personally" practice during breaks (PPT time – Personal Pioneer Time). This means individual members can choose to practice a particular section of music or show that they may have had challenges with during rehearsal. Again, this is an individual member's choice.
- Common/Group Areas – It is very important that the "Common/Group" areas for these breaks are free of noise from individuals practicing. Common/Group areas include the building at the land where Members or Staff eat lunch or dinner. Other common/group areas include the gym/sleeping area, school lobby areas, etc.
- Transition - Playing your instrument while transitioning from one area to the next is not permitted. An example of this scenario is when you walk from the truck to rehearsal field you are not permitted to play your instrument.

Drugs

Drum Corps International and the Pioneer Board of Directors have stringent policies on the use of drugs and alcohol. You must adhere to these policies while you are in the Pioneer and hopefully you will continue to do so throughout your life.

The Pioneer will do everything possible to have the corps 100% drug free. Drugs are

not permitted or to be used at Pioneer rehearsals, camps, functions and on any part of the tour. Pioneer is concerned with the possibility of any negative influence Members might have on others and failure to follow these rules may result in immediate dismissal from Pioneer. The appropriate action will be determined by the Executive Director of the Corps, after consultation with Staff personnel, and legal and/or medical authorities if necessary.

Alcohol

Alcohol is not permitted or to be used at Pioneer rehearsals, camps, functions, or during any part of the tour, regardless of the Member's age.

Language

In the Pioneer we are judged by our every word and action. The language you use can sometimes be offensive. Profanity is not allowed at Pioneer camps, rehearsals, functions, and when in uniform.

Smoking

By law, Wisconsin is a "smoke free workplace" state. Pioneer's goal is to have all Members not smoke. The Pioneer policy is that you CANNOT smoke on ANY school grounds, at Pioneer facilities, on Pioneer busses, around Pioneer vehicles, in uniform, or during meetings. At the Pioneer rehearsal field, there will be a designated area to smoke. You MAY NOT smoke during rehearsals or on your breaks during rehearsals.

Manners

Pioneer believes that how you interact with people is extremely important. We strongly encourage courtesy and manners. We are very fortunate to have many hard working volunteers, support staff and teaching staff. These people put in many long hours for no other reason than for the love of the organization. Please take the time to thank the people who make all of this possible.

Stealing is illegal and will not be tolerated at Pioneer. Examples are taking other people's shoes, hats, uniform parts, clothing, wallets, housing property, etc.

These Competitive Attitude

The attitude you bring to and develop in Pioneer is very important to helping you achieve your personal best on and off the field. We are an organization 100 strong, not a specific section or individual. We are all working hard and dedicating ourselves to a common goal of achieving a "personal best" and/or "highest personal achievement". In order to reach our goals we must work very hard, as a team with a positive results. The enjoyment or "fun" in drum corps is your success.

There are many high-quality groups around the country for us to enjoy and respect. One of the greatest experiences in this activity is getting to know other and watching them work as hard as we do. Learn from, applaud, and always appreciate the hard work and efforts it takes to make a show.

The Pioneer organization is a family. You will make friendships in these years that will

continue long into the future. Do not overreact to things you do not have any control over. Concern yourself with your own efforts. There are many memories awaiting you – don't cheat yourself out of them.

Shamrock Time

Shamrock Time is typically the time when we pack our luggage, clean the school, load buses etc. This time is precisely managed to keep the corps on-time to each performance or next location. Members are expected to clear the school if they are not performing a task within the school. You are expected to be at your assigned task at the scheduled time. Shamrock Time will typically be 30 minutes which is, generally, the period it takes to load busses and thoroughly clean the housing site. Members NOT performing their assigned duties could result in the entire corps being late. If the Member shows a pattern of not completing his/her tasks it may result in dismissal from the organization.

Schedule

Pioneer understands the importance of communication and scheduling. A basic and most commonly used schedule will be posted online and in the printed tour book. The daily schedule will be posted online and on an easel in a central location each morning. Many things change on tour that could affect the schedule. Adjustments will be made to the schedule to accommodate the needs of the Corps and its Members. Please be understanding to these changes as we truly try to be Better Every Day.

Pioneer typically has a wake-up time of 7AM. This is in-part to us trying to develop a regular schedule for your body to help you adapt to the rigors of a tour schedule and prepare you for real world work environment.

Housing Site

Although we are staying at a school, we are guests in the building and it is vitally important to our continued success that we treat all facilities with the utmost respect. The Corps tends to stay at the same facilities from year to year and we need to maintain professional relationships with the schools and boards of education. This includes keeping food and beverages out of the gym, being considerate to students and sponsors at each facility, and not leaving trash around the school. We also do not destroy or steal things such as gym clothes or athletic equipment while staying at facilities. These rules also apply when we stay at our "home" housing sites. In addition, we must be very sensitive to the neighbors in the area. Loud music, yelling and peeling wheels on the way out of Pioneer rehearsals and camps are no way to treat our neighbors and jeopardize our use of the property.

SOCIAL MEDIA POLICY

This policy provides guidance for Member use of social media, which should be broadly understood for purposes of this policy to include blogs, wikis, microblogs, message boards, chat rooms, electronic newsletters, online forums, social networking sites, and other sites and services that permit users to share information with others in a contemporaneous manner.

The following principles apply to the appropriate and professional use of social media on behalf of Pioneer as well as personal use of social media when referencing Pioneer.

Members need to know and adhere to Pioneer's Code of Conduct, Member Handbook, and other Corps policies when using social media in reference to Pioneer. Members should be aware of the effect their actions may have on their images, as well as Pioneer's image. The information that Members post or publish may be public information for a very long time. Members should be aware that Pioneer may observe content and information made available by Members through social media. Members should use their best judgment in posting any material whether personally viewed as neither inappropriate nor harmful to Pioneer, its Members, or viewers. It's possible any or all of these groups may feel it is harmful, inflammatory or inappropriate.

Although not an exhaustive list, some specific examples of prohibited social media conduct include posting commentary, content, or images that are defamatory, pornographic, proprietary, harassing, libelous, or that can create a hostile work environment. Members are not to publish, post or release any information that is considered confidential or not public. If there are questions about what is considered confidential, Members should check with the Membership Management.

Social media networks, blogs and other types of online content sometimes generate press and media attention or legal questions. Members should refer these inquiries to authorized Pioneer spokespersons. If Members encounter a situation while using social media that threatens to become antagonistic, Members should disengage from the dialogue in a polite manner and seek the advice of Corps Management.

Members should get appropriate permission before you refer to or post images of current or former Corps Members, Corp Management, Corp Staff at any level, show locations or housing sites. Additionally, Members should get appropriate permission to use a third party's copyrights, copyrighted material, trademarks, service marks or other intellectual property.

Social media use shouldn't interfere with Member's responsibilities at Pioneer. During camps, rehearsals and other Corps events personal use of social media networks or personal blogging of online content is discouraged and could result in disciplinary action.

VEHICLE POLICY

The Pioneer organization owns coach busses. Therefore we must abide by the Pioneer organization's rules developed over the years to help maintain our travels. Any observance of your failure to adhere to the following rules will result in disciplinary action with repeated failure to adhere resulting in dismissal.

- Do not jump on seats.
- Do not walk or stand on armrests.
- Do not place any items in air conditioning or vent holes.
- Alcoholic beverages are not to be in, or on, any part of ANY Pioneer vehicle.
- Illegal substances are NOT to be carried on, or in, any part of ANY Pioneer vehicle.

- Do not open, activate, or pull down any emergency window releases except in the case of fire or accident. The air conditioning system works much better if all the windows are closed while the bus is running.
- The rest rooms are not to be used at any time. The bus captain(s) are responsible for the restrooms being closed at all times.
- No object which could cause damage to the vehicle or injury to any person is to be tossed out of or thrown in the bus.
- Trash is to be carried or passed up to the front of the bus. This includes cans and bottles. Deposit all of your trash in the trashcans when leaving the vehicle.
- Items are not to be hung from the overhead racks (e.g. hammocks). No item in excess of 2 pounds is to be hung from the overhead rack at any time.
- No item is to be laid upon or propped against the side of any vehicle regardless of whether it is owned and operated by the Pioneer or someone else. Nothing is to be hung on the side of or any exterior part of any vehicle.

SPRING TRAINING

From the camp at the end of May until first tour date is considered "spring training". During this time we will work to complete the music and drill for the summer touring. During this time you will be expected to rehearse long hours which include conditioning exercise. Conditioning is provided to ensure your health and safety prior to and during the strenuous summer tour. This is much like a soldier attending a boot camp to help them mentally and physically prepare for a deployment. After successfully completing this training, you will feel proud of your personal growth, accomplishment and be ready for the World tour.

TOUR POLICY

Travel Expectations

To help keep travel time to a minimum and floor time to a maximum it is important to understand expectations.

- In order to keep all stop times to a minimum we expect all travelers to travel 2-3 hours at a time.
- Planning your bathroom needs is important such as how much you drink between stops.
- You will be given a specific amount of time at each stop which may NOT include purchasing food items or drinks due to minimal cashiers creating long lines.

Bus Loading

Please be respectful of the loading crew and the minimal space given in bus bays.

- Get your luggage out to the bus at the proper time or earlier (also known as Shamrock time).
- Use the required "LL Bean Adventure Bag".
- Having all sleeping gear including foam pads in one bag will be convenient for you to carry plus help with the loading process. Other types of bedding MUST fold up considerably and be securely wrapped. Inner spring mattresses are not allowed.
- Additional "baggage" such as laundry bags, pillows or back packs must either be in your adventure bag or on the bus.

- Personal items brought with you onto the bus should be in an easy carry bag. We often need to switch buses at a moment's notice requiring you to move quickly and we may not return to the same bus. Tupperware is not a recommended solution to store personal items under the seat due to the easily cracked or broken material they are made from.

NO BOXES, BICYCLES, ETC. ARE TO BE BROUGHT ON TOUR WITH THE INTENTION OF DROPPING THEM OFF WITH FRIENDS/RELATIVES ALONG THE WAY.

Culture Days

On culture days you will have the opportunity to explore and experience the sights and cultures of the specific city we are visiting prior to or following the scheduled culture event. Even on culture days Pioneer will not give Members the entire day off (aka. "Free days"). To maintain the high-level of performance already developed through daily rehearsal, the Teaching Staff may require a 2 – 3 hour rehearsal. All Members must attend the culture event and cannot stay back at the housing site. We require this for the safety of the Members and to foster team work on and off the field. Culture days are a chance for Staff and Corps Members alike to take a break from the daily grind of rehearsals and competition.

Tour Tasks

Each Member will be required to perform a "good of the order" task to help Pioneer get down the road smoother. These tasks and associated timelines will be given by the Membership/Tour Manager and enforced strictly throughout tour by the Drum Majors and the Membership/Tour Manager. For example, gym cleanup, field lining crew, bus loading etc. The Membership Manager may switch your assigned task between tours.

Pioneer Time

Pioneer time is 10 minutes ahead of standard time. We accept the importance of being on time or earlier for all events. Members that are habitually late based on Pioneer time will be assigned additional conditioning laps. "To be on time is to be late, to be early is to be on time and to be late is to lose" (RBJ).

Expensive Items

If you plan to bring phones, mp3 players, etc. on tour, remember that the gyms are not watched at all times. You take the risk of losing these items; the corps assumes no liability for such losses.

Money on Tour

Please bring/keep a supply of change with you for the soft drink machines and telephones. Carry only a minimum of cash with you. It is strongly recommended that traveler's checks be used and stored in a safe place.

Floor Time

Other organizations have a formula to determine maximum hours sleeping on the bus and required hours sleeping on the gym floor. As an organization, while we recognize 19

the difference in the quality of sleep it is necessary to mix up sleeping on bus vs. floor. Pioneer does not offer a specific pattern due to the inconsistent travel times and the importance of rehearsal time. Sleeping on bus is expected and suggest you take advantage of the opportunity whenever it is offered.

Because of the number of miles we travel, and the fact that many of these miles will be night drives, floor-time is a prime consideration. When we do have an opportunity to stretch out and sleep at night in a gym, take advantage of it. Pioneer offers a 30 minute "down-time" window prior to scheduled sleep time. Members that want to chat during "down-time" may do so in a designated area outside the gym. When it is "lights-out" be considerate and keep the gym quiet.

Make sure that you are in the gym, preferably in your sleeping bag, at expected sleep time. If you need to take a shower, clean your horn etc., do not wait until five minutes before the lights go out. If you wake up before lights are on, be considerate of those who are still sleeping. If you must get up, do what you must quietly so as not to wake those still asleep.

The gym of each housing site is your summer tour home, treat it accordingly. NO FOOD IN THE MAIN GYM PLEASE. If you spill anything, please clean it up immediately. If you clean as you go, it will make the cleanup job at the end of each stay much easier. With 100+ people on the road, the amount of garbage we can create is overwhelming. Take responsibility for your own trash and litter. There are always plenty of trashcans around Pioneerland and on any given campus.

It's just as easy to throw things away when you pass a trashcan as it is to leave it where you have eaten. Sections will be assigned by the Drum Major to clean the facilities during "Shamrock Time".

We will not leave the school until it is clean.

Buddy System

The buddy system is a standard that requires no member to walk alone to areas or locations outside the group. This includes conversations or meetings with other adults including and not limited to volunteers and Pioneer Staff. The term is often used in the Army and is called a "Battle Buddy". Not only is it beneficial for the safety of the Member and Staff, but promotes cooperative problem solving, increases confidence and decreases stress.

What to Bring on Tour

- Sleeping bag and Cot.
- 1 LL Bean Adventure Bag.
- Towels and washcloths.
- Black socks for uniform (recommend several pair).
- Underwear (recommend several sets as wash days are few and far between).
- Practice clothes (remember wash days are few).
- Casual clothes & 1 dressier set of clothes.
- Head protection from the sun (required)
- Some sort of covering for the bus seat and back (a bed sheet works great)
- Personal care items (toothbrush, toothpaste, comb, shaving gear, etc.)

Mark all belongings (clothes, towels, etc.) so that you can find them when you need them. Regular ink pens will not work, use a Sharpie marking pen for best results.

Wash Days

The corps will schedule wash days every 7-10 days lasting 4 hours. Each Member is expected to wash their clothes during this time.

Walmart Shopping

The corps will schedule Walmart stops weekly for re-stock of personal items or needed snacks. Each Member is responsible for the cost of any items purchased.

SHOW SITE POLICY

Pre-Show Procedures

- Be aware of parking lot sensitivity
 - Trash clean-up
 - Members should dress out of direct view of public
 - Health code issues if utilizing food service.
- Instructional and Support Staff are to wear their DCI Event Badges, displayed where the name of the Corps can easily be seen, at all times while in attendance at any DCI event. Please give yourself a little extra time when approaching a gate in order that the event Staff can check your badge. It is not fair to assume that the volunteer event teams know of your importance and fame as you rush through the gate.
- Teaching Staff and Support Staff are to help Tour Event Partners in the protection of the gate by asking family and friends not directly working with the Corps to utilize public ticketed entrance gates. At no time should a non-credentialed person expect to enter or exit to back staging or sensitive areas of the venue, which varies in each stadium. Please check with the DCI Contest Coordinator for specifics.
- Teaching Staff and Support Staff should be aware of the paying audiences' enjoyment of the Corps' performance. Those using DCI Staff Passes for entrance are asked to sit outside of the reserved seating area, and if choosing to sit in a Staff viewing area, to be sensitive to voice levels and movement once the Corps' performance begins.
- Staff/Member demeanor and language should be professional and non-aggressive in critique and audience situations, and when dealing with challenging situations with the event Staff.
- After a Corps performs, Member seating is to be in non-reserved and/or non-sold sections of the venue. Seating in aisles or "squeezing in" to reserved areas not only is an infraction to fire codes, but diminishes the paying audience experience.
- Dress should be clean and in keeping with the image of the activity.
- For the sake of sensitivity toward area residents and potential local noise ordinances, there are to be no post-show performances of any kind, including parking lot standstills, cadences, sectionals, or individuals (for instance, I&E soloist rehearsals).
- Field Care – For all rehearsal sites and competitive venues
 - Fields at rehearsal facility should be agreed upon with contact and/or facility administrator before utilizing.
 - Non-permanent paint or other substance that will not kill or burn the grass should be used when marking the field. NO logos or anything other than yard lines shall be painted.

- Care should be taken when moving on pit equipment and props to not cause damage to the field. A minimum of 8" wheels should be utilized on any carts or props pulled onto the field.

Tarps or covers of any kind that will hinder the oxygen flow to the grass surface or create high levels of heat that can infracture the codes of conduct could result in the loss of credentials by the DCI Contest Coordinator, penalties to the competitive unit, or financial assessments to the organization.

Post Show Procedures

Before you do anything after the show, you must change out of your uniform, and put it and your equipment away in their proper spots. If there is any damage to your uniform or equipment, you are responsible to report it to the Membership Manager immediately so that we are able to make the necessary repairs at the earliest opportunity. After you have taken care of your uniform and equipment, you may then speak with your family and friends and get something to eat, or just relax. The Drum Major or Tour Manager will instruct you as to other circumstances and situations pertinent to that show. You will be responsible to know when we are leaving and to be on time, or risk of being left behind.

SENDING/RECEIVING MAIL

Mail

- Can be sent to the main office address with Pioneer as "send to" and Members name as c/o. Any mail COD will not be accepted.
- Outgoing stamped mail is collected in tub near the food truck when announced.
- Pioneer will mail and deliver when it is easiest for the Corps. Meaning, mail will not be sent every day.

Packages

Care packages can be sent to the main office address with Pioneer as "Sent to" and Members name as c/o. Any packages COD will not be accepted. Do NOT send to Pioneer Land as packages are not accepted at that address. NEVER send package to school group is housing at.

Packages sent to main office will be deliver to the Members approximately once a week or on tour possibly two weeks. Regardless if you overnight express packages it will still be once a week. It is best to supply student with a Walmart card for extra items.

MEMBER MEDICAL POLICY

Injuries

Pioneer will NOT have professional medical personnel on Staff. In the event of emergency, all Pioneer Staff are expected to call 911. If a Member becomes ill or suffers a minor injury, all Staff are to report the Member directly to the Membership manager/tour manager who will call the parents (if under 18) to assist or review with the Member what health care choices should be made. Injuries that require a doctor's assessment, Pioneer will shuttle the Member to the closest emergency care facility which would be paid for by the Member's insurance.

Self-Administration/Self-Possession of Medications (Over-the-counter & Prescription)

Self-administration means the individual is able to consume or apply prescription and non-prescription medication in the manner directed by the physician without additional assistance. Self-possession means that the individual may carry medication on his/her person to allow immediate and self-determined administration.

Members are required to self-administer and self-possess all over-the-counter and prescription medications during camp, pre-season rehearsals, regular season and any other Pioneer event scheduled or unscheduled. Pioneer Staff will NOT, at any time, store or assist with administration of any over-the-counter or prescription medication. In the event a Member's prescription medication necessitates special storage, such as refrigeration, the Member is required to provide confirmation from the prescribing physician to the Membership Manager. Based on the number and type of requests, Pioneer will provide "best effort" to accommodate the storage need.

Members that are able to use/consume these products might consider bringing a small supply of various items; (i.e., aspirin, Band-Aids, sun screen, sun burn lotion, Bronk-aid, etc.) you feel will be useful while on tour. Should you need any items you will be responsible for acquiring the items and ALL costs of such purchases. NOTE: If you are covered by an insurance policy, please try to get a copy of the insurance identification card for our files. We will make a photocopy for you.

HEALTH GUIDELINES

The following guidelines have been developed in order for you to have a healthy, happy and safe summer. Read them carefully. Remember, if you get sick due to not taking care of yourself you will be hurting the corps as well as yourself. While some sickness is unavoidable, much unnecessary sickness is – if you follow these guidelines.

- Bathe/shower daily. (when possible)
- Deodorant daily and brush teeth.
- Wash hands with soap and water after using the restroom and always before eating.
- We will supply water and cups for the breaks. It is recommended that you provide a small canteen-type container to wear on your person to take an unofficial water break when there is not an official water break.
- Use sunscreen as needed and often enough to be effective.
- Wear lightweight, loose, well-ventilated, light colored cotton shirts/blouses to protect from sun. This is imperative if you are already burned.
- Wear something on your head to protect your head, face, neck and lips from the sun. This can be a hat with a bill, bandana, t-shirt, towel or wet washcloth.
- Wear sunglasses for rehearsals.
- Shoes must be worn at all times – no bare feet outside of the building or off the bus.
- Sleep when you have the opportunity. Take advantage of bus time and breaks.
- Eat wisely: several light meals, lots of fresh fruit and vegetables. Increase your fluids, especially water. Avoid excessive sugar and junk foods. Thank the cooks daily for the good care they provide.
- If you have any type of chronic condition, e.g. joint or muscle injury or weakness, discuss your participation in this activity with your doctor. Ask your

doctor to write out the regimen you should follow – medications, wraps, braces, hot/cold packs, etc. Bring your own braces, wraps, etc.

- If you have an allergy to bee stings or to other things you may not be able to avoid, contact your doctor for a kit to be used in case of an allergic reaction. Learn to use the items in the kit.
- Get a little sun as soon as the weather permits. Don't wait until the first warm camp weekend to expose your skin. Try to tan gradually.
- Drum corps is a physical activity. Work out between camps. The more physically fit you are, the less likely you are to get injured.
- Skin surfaces which rub against other skin surfaces often create chafing. A medicated body powder or cornstarch is a useful item for you to pack.
- You should be urinating at least 3-4 times each 24-hour period. If you are not, possibly you are not taking in enough fluids. Urinary infections often develop at this time.
- Be smart when you are away from the corps as well. Don't do things that jeopardize your body and health.
- First aid kits are located on each bus, if you have the need for headache or cold remedies, bandages, stomach aches, bug bites, laxatives, ice packs, feminine products, etc.

General Health Information

Males should maintain between 12% and 16% body fat, and females 16% - 22%.

If you are above, the safe way to decrease body fat is by increasing aerobic activity and modifying your diet (by the way, diet means food you eat, not lack thereof!). Aerobic activity is any exercise that will get your heart rate up between 60% and 80% of your safe maximum heart rate and keeping it there for at least 30 minutes (NOT including warm-up and cool-down time). Check your pulse during exercise and maintain this level. Exercise a minimum of three times a week.

Maximum heart rate formula: $220 - \text{age} = \text{MHR}$ Aerobic exercise range: $\text{MHR} - .6$ and $\text{MHR} - .8 = \text{PULSE RANGE}$

Exercising at more than 80% will not burn more calories. In fact, you will burn less, because your body cannot get enough of the oxygen needed to burn fat. (As with any fire, you cut off the oxygen and it goes out!) What happens is your body goes into a panic mode. It begins to grab the most readily available source of energy, which is simple sugar, from within the muscle. It breaks the sugar down, sending it into the blood stream to boost energy. What is left behind in the muscle is Lactic acid. Lactic acid will make you sore. Because there is now sugar in the blood stream, our appetite is increased as well. So, in this case, more is not necessarily better.

If you exercise properly (aerobically), you will be able to go longer with less soreness, AND you will experience less appetite for as long as 2 hours afterwards, not to mention less stress and feel more positive (due to the endorphins).

Diet should be modified by increasing fruits, vegetables, and complex carbohydrates. These will give you energy, and the calories will be burned easier (the body burns these first, fats second). Cut down on fats (contained in meats and dairy products) and sugars. Moderate the consumption of junk food as a staple meal item. Drink plenty of fluids,

but try to stay away from soda pop before rehearsals. They contain CO which conflicts with the oxygen that your body needs for maximum performance.

Avoid weighing yourself. Muscle weighs more than fat; and as you exercise, you increase muscle that will make you appear to have lost little or no weight. This only discourages you. Your best guide is:

1. How you feel
2. How you look (are your measurements smaller?)
3. How you PERFORM (have you increased your stamina and endurance?)

Special Dietary Needs

Each Member is required to accommodate their own special dietary needs. Pioneer will be feeding approximately 150 people per meal and simply can NOT make any special purchases or offer any special preparation for foods served. Pioneer will do our best to provide separated meats and other food to assist some levels of vegetarians. If a Member requires additional *extensive* vegetarian or other dietary foods, where the options provided by Pioneer are not sufficient, the Member must provide and/or prepare their own food outside the Pioneer “cook truck” facilities. If a Member has a severe food allergy, it is their responsibility to make allowances for these special foods and special preparation requirements in addition to alerting the Membership Manager. Pioneer will always have water, peanut butter, jelly and bread available. This is for those needing a little extra or for those not wishing to eat the provided meal. We also try to provide nutrition bars at every meal and snack. Questions regarding special food needs should be directed to the Membership Manager and not the cooks themselves

The “cook truck” refrigerator is strictly of limits to all Members due to the importance of the cook staff’s necessity to control the storage of the Corps’ food stocks. Due to this, Members requiring refrigerated needs will need to use a cooler.

It is also strongly encouraged that the Member wear a medical alert bracelet or necklace for severe food allergies.

Heat Injuries

The body responds to heat by dilating the blood vessels in the skin and increasing the heartbeat. The body loses heat by conduction and convection which is caused by the cooling effect of air flowing next to the skin, radiation of heat to surrounding objects which come in contact with the skin, and evaporation of sweat. Excess sweating, however, causes loss of salt and water from the body fluids, which creates an increased workload on the circulatory system. Physical work increases the effects of high temperature on the body. Other conditions make people more vulnerable to heat injury; at high risk are persons with:

- acute & chronic infections
- heat rash
- dehydration
- lack of sleep
- feverish conditions
- acute sunburn
- fatigue
- vascular disease
- reactions to immunizations

- previous heatstroke
- use of alcohol
- obesity (a very common contributing factor in heat injuries)
- There are three types of heat injuries – heat cramps, heat exhaustion, and heat stroke.

Heat Cramps

Caused by excessive loss of salt from the body *Symptoms:* Painful cramps in muscles of the extremities and abdominal wall. Body temperature is normal. *Treatment:* Have the person drink a 0.1 % salt solution (mix 2 ten grain salt tablets or 1 tsp. salt in 1 quart of water).

Heat Exhaustion

Caused by excessive loss of water and salt *Symptoms:* Profuse perspiration, skin is cool and pale, rapid pulse (140-200 beats per minute), low blood pressure, headache, mental confusion, dizziness, drowsiness, weakness, loss of appetite, vomiting, visual disturbance, occasional cramps of extremities or abdominal muscles. *Treatment:* Put in a cool place, encourage the individual to rest, elevate the feet, massage the extremities. Give a 0.1% saline solution by mouth as freely as the patient will take it. **DO NOT ADMINISTER SALT TABLETS WITHOUT WATER.**

Heat Stroke

Caused by a breakdown of the body's heat regulating mechanism. A very serious condition in which there is extremely high body temperature – can lead to coma or death. *Risk:* Persons not acclimatized to heat; physical exertion; alcoholism; diarrhea. *Symptoms:* Absence of sweating, cool skin surface, headache, dizziness, mental confusion, weakness, nausea, urination. Early stages are characterized by hot, red, dry skin; full and rapid pulse; normal or elevated blood pressure; rapid and deep respiration; body temperature 106-110F. The onset is usually dramatic with collapse and loss of consciousness. Convulsions may occur.

Treatment: Lower the body temperature by removing clothes, immersing the patient in water (or in a tub of water and ice), give a sponge bath, or cover with a blanket soaked in cold water. Fan the patient to increase air flow. Rub the extremities and trunk briskly to increase skin circulation. Check temperature every 10 minutes – be careful not to lower temperature. Constant supervision and transport to a medical facility **IMMEDIATELY.**

SPONSORSHIP PROGRAM

Pioneer offers two sponsorship programs to assist with payment of fees:

S.O.P.Y “Sponsor of Pioneer Youth”

The SOPY forms have been used very successfully by many Members for over 15 years. This program is credited to John Michaels (previous director) for helping Members raise money towards dues and even spending money. As stated on the form, 100% of all money collected is applied towards the Member's dues or personal expense account. It has been so successful for some that have created a limited not to exceed \$3,000. If money is greater than this amount it will be automatically donated to Pioneer. These donations are tax-deductible and should be made out to Pioneer Drum and Bugle Corps & Color Guard, Inc. It is the member's responsibility to insure the donators places the Member's name on the memo line to help with tracking. Every S.O.P.Y donation is non-refundable and non-transferrable.

BINGO

The Pioneer Bingo game is the single most important fundraiser for the organization. Without bingo we would very quickly cease to exist on the level of competition and excellence that has become expected of the Pioneer.

If you're a local family or plan on visiting for a few days. Please offer to volunteer your time to help for even a few hours. Hours worked can also be credit to a Membership account. For more information please contact bingo@pioneer-corps.org.

PARENT INVOLVEMENT AND OUR “CIRCLE OF SUPPORT”

The strength of any community-based organization is determined by the connection and contribution of the people who comprise it. It is the ever-expanding circle of supportive family Members, friends, neighbors, alumni, corporate sponsors, and fans that makes Pioneer the one-of-a-kind organization it is!

Performers in the World Class Corps come from around the world, and their circle of support spans that distance as well. Alumni, parents, family, friends, and fans world-wide purchase CDs, DVDs, videos, books, and souvenir clothing at contests and through our online store at pioneer-corps.org. Supporters fit and maintain uniforms, drive and maintain vehicles, and join the Pioneer Food team when the corps comes to their area.

SUPPORTING PIONEER PERFORMING ARTS

Tour fees, prize money, and proceeds from the Pioneer bingo operation and parades provide the majority of the revenue needed to fund the Pioneer each year.

As a public charity, Pioneer would appreciate additional support by any gifts and grants from individuals, foundations, and corporations. Family and friends of performing Members are welcome to contribute. Some ways are:

- Cash or Check Donation – Tax deductible. Please contact the Main Office or admin@pioneer-corps.com to submit a donations
- Product or Materials Donation – Many have been able to donate products or material for the corps use.
- Meal Sponsor – You if wish to sponsor a meal, this includes your choice of meal and extra's. Your family name will be acknowledged on the cook truck clearly for all Members to see prior to the meal being served. This is a great opportunity for those parents not able to help on tour and would like to see where donations go. For example, pizza night sponsored by these parents. Or some have a special spaghetti and Johnsonville hot Italians they like and enjoy hearing how kids enjoyed the treat. Others have donated Gatorade, sheet cakes, cookies and other treats

Please contact the Main Office for information at admin@pioneer-corps.org.

VOLUNTEER INVOLVEMENT

Pioneer has five camps a year, spring training, mini weekends and final world tour. Volunteers can sign up for any of those events and help in many ways. Those parents that volunteer time may be given a "volunteer Staff pass" for a show to show Pioneer's appreciation.

Those interested in helping contact volunteer@pioneer-corps.com .

Volunteer involvement is very important. We especially need help in the following areas:

Food Department

Typically Pioneer travels with a head cook. Cook helper is a great way to volunteer and assist the lead cook or simply give the head cook a meal off and support the entire Corps all in one meal!. Many hours are required of the cooking Staff to prepare a single meal. Even something as simple as a volunteer helping by carrying items in and out of the truck or just serve a meal gives the lead cook a break and is always very appreciated. Please sign up or just ask to help when you're available by contacting volunteer@pioneer-corps.com.

Transportation

Pioneer will be using company-owned coaches to transport the performers on tour, we also own a coach which serve as Staff bus, a Freightliner Tractor, and two 48-foot trailers, which have been customized to serve as an equipment truck and a traveling kitchen. If you know of someone with a commercial license who would be interested in driving a Staff bus or tractor, please be sure to let us know. We need drivers for local shows and the summer tour.

Many times we need help cleaning and maintaining the equipment too. Those who would like to help in any way should contact volunteer@pioneer-corps.com .

Specialty Skills

Many times we need help with general maintenance. Such as plumbing, electrical work, cleaning or general maintenance. If you know someone or are someone that would be willing to volunteer please contact us at volunteer@pioneer-corps.com.

Sewing and Uniform Maintenance

Great care is taken in fitting the Pioneer uniform to each individual Member. If you know someone who can help with fittings and alterations (hemming pants, jacket sleeves).

In addition, Pioneer takes pride in designing and fabricating our own flags. We always need help sewing the flags and other color guard equipment. This is usually occurs in the spring and summer.

Pioneerland/Corps Hall

Our practice field needs year-round maintenance. There are always special projects in progress, such as plumbing, electrical work, reseeding the grass, painting, and general maintenance. Anyone interested in spending a Saturday at Pioneerland.

HOW CAN PERFORMERS EXPAND OUR CIRCLE OF SUPPORT?

- Introduce your family, friends, neighbors, employers and co-workers to the Pioneer.
- Invite them to a show or open rehearsal.
- Ask them to consider giving Pioneer merchandise as gifts.
- Ask them to research if their employers have matching grants or donate funds to non-profit organizations.
- Invite them to volunteer their time for a camp, or “behind the scenes” project.
- When the Pioneer comes to your hometown, invite them to:
 - Join the cooking crew for a day
 - Alert your local media to a great human-interest story
 - Help with housing and rehearsal arrangements, grocery shopping, laundry, and doctor runs.

DCI CODE OF CONDUCT 2016

DCI and its Tour Event Partners have made arrangements on the corps behalf to utilize facilities on behalf of the activity. As a condition of participation, the Corps staff, support and membership are “ambassadors of DCI” when participating in DCI Summer Tour Events and therefore agree to the following codes of conduct:

Housing site

- Making all housing arrangement contacts by **May 1, 2016**, at the absolute latest. The Corps should communicate with the DCI Tour Event Partner early in the spring, supplying any necessary information explaining needs and desires regarding facility, as well as arrival and departure times. The Corps is responsible for any additional facility costs past on that are outside of the DCI Event Contract.
- Abiding by local/state/federal rules and regulations including the prohibition of alcohol, tobacco and drug use on the grounds of any facility contracted by DCI or the DCI Tour Event Partner. This includes the discarding of empty containers, ashtrays, etc., on facility property which could be construed as having violated the law.
- Abiding by the wishes of the facility administration including respecting those areas which are marked “off limits”, either expressed or by basic common sense.
- Using sensitivity and common sense in dress codes while at schools, especially if summer sessions are occurring. Shirts and shoes that would be deemed appropriate in a school setting should be worn and clothing changes should occur in an appropriate place.
- Being sensitive to public audiences, including utilizing language that is appropriate for professional and student populations.
- Leaving the facility better than found has always been a drum corps goal. The handling and disposing of waste products, especially garbage and sewage from food preparation, should be in accordance with health codes and facility administration standards.

- Using the DCI Housing Inspection Form is required. Check-in with a facility administrator before allowing corps entrance into the facility to pre-check for any problems and to discuss areas of use and “off limits.” Final check-out should occur before the corps leaves the facility and a copy of the DCI Housing Inspection Form should be kept on file should a challenge later occur. Should there be any damage, it is the Corps’ responsibility to make arrangements for reconciliation before leaving.

HOUSE RULES

1. If you open it, close it.
2. If you turn it on, turn it off.
3. If you unlock it, lock it.
4. If you break it, fix it.
5. If you can’t fix it, call someone who can.
6. If you borrow it, return it.
7. If you use it, take care of it.
8. If you make a mess, clean it up.
9. If you move it, put it back.
10. If it belongs to someone else and you want to use it, get permission.
11. If you don’t know how to operate it, leave it alone.
12. If it doesn’t concern you, don’t mess with it.

SHOW SITE CONDUCT

- Code of conduct as expressed above.
- Parking lot sensitivity, including trash clean-up, members dressing out of direct view of public, and health code issues if utilizing food service. Instructional and support staff are to wear their DCI event badges, displayed around the neck, where name of corps can be easily seen, at all times while in attendance at any DCI event. Please give yourself a little extra time when approaching a gate in order that the event staff can check your badge. It is not fair to assume that volunteer event teams know your importance and fame as you rush through a gate!
- Teaching Staff and Support Staff are to help Tour Event Partner in the protection of the gate by asking family and friends not directly working with the corps to utilize public ticketed entrance gates. At no time should a non-credentialed person expect to enter or exit to back staging **"Code of Conduct"** or sensitive areas of the venue, which varies in each stadium. Please check with the DCI Contest Coordinator for specifics.
- Teaching Staff and Support Staff should be aware of the paying audiences' enjoyment of the Corps' performance. Those using DCI staff badges for entrance are asked to sit outside of the reserved seating area, and if choosing to sit in a staff viewing area, to be sensitive to voice levels and movement once the Corps' performance begins.
- Teaching Staff/Support Staff/Member demeanor and language should be professional and non-aggressive in critique and audience situations, and when dealing with challenging situations with event staff.
- After a corps performs, member seating is to be in non-reserved and/or non-sold sections of the venue. Seating in aisles or "squeezing in" to reserved areas not only is an infraction to fire codes, but diminishes the paying audience experience.
- Dress should be clean and in keeping with the image of the activity.
- For the sake of sensitivity toward area residents and potential local noise ordinances, there are to be no post-show performances of any kind, including parking lot standstills, cadences, sectionals or individuals (for instance, I & E soloist rehearsals).

Field Care – For all rehearsal sites and competitive venues

Fields at rehearsal facility should be agreed upon with contact and/or facility administrator before utilizing.

Non-permanent paint or other substance that will not kill or burn the grass should be used when marking the field. NO logos or anything other than yard lines shall be painted.

Care should be taken when moving on pit equipment and props to not cause damage to the field. A minimum of 8" wheels should be utilized on any carts or props pulled onto the field.

Tarps or covers of any kind that will hinder the oxygen flow to the grass surface or create high levels of heat that can "burn" the surface are not allowed. Any field damage must be taken care of by the Corps prior to leaving the show site.

Infractions to the codes of conduct could result in the loss of credentials by the DCI Contest Coordinator, penalties to the competitive unit or financial assessments to the organization.

AWARDS BANQUET

At our annual Awards Banquet, members of our Pioneer Family are publicly rewarded for a job well done. The selection of candidates and winners is made by the corps members' peers, attendance, as well as the teaching staff.

TEACHING STAFF AWARD

This award began with the 2002 season. The entire Corps members and staff have been asked to nominate a person who they felt went above and beyond what was expected of an instructor. The difficulty of artistic creation, coordination with other sections, and the giving of personal attention, is beyond written description, in the opinion of everyone. These individuals are to be applauded and praised for their extraordinary efforts to the Corps:

Mickey Hartzog	(Percussion)	2002
Robert Strohman	(Guard)	2003
Mickey Hartzog	(Percussion)	2004
Michael Madonia	(Brass)	2005

2016 PIONEER SECTION LEADERS

These leaders are chosen obviously because of their leadership skills and their commitment to the Corps. Based on their attendance and willingness to be of service to their section, it is our expectation that this experience will benefit the corps today as well as them as better leaders in their personal future endeavors. These people could very well be the *cream of the crop*:

Trumpet:
Pit:
Mellophone:
Guard:
Baritone:
Tuba:

Brass Sergeant:
Snare:
Tenor:
Bass:
Cymbals:

Appreciation Award

The following is a list of people, not having family members in the corps or who are not directly connected with the corps, but have helped out in some above and beyond the norm way to improve the corps. Often little public gratitude is shown to this type of individual because most of their work is done behind the scenes. This is our small way of saying THANKS from the bottom of our hearts!

The Gettysburg Address

Perhaps the most famous battle of the Civil War took place at Gettysburg, PA, July 1 to July 3, 1863.

At the end of the battle, the Union's Army of the Potomac had successfully repelled the second invasion of the North by the Confederacy's Army of Northern Virginia.

Speaking of a "new birth of freedom," he delivered one of the most memorable speeches in U.S. history.

Several months later, President Lincoln went to Gettysburg to speak at the dedication of the cemetery for the Union war dead.

November 19, 1863

WE, THE PIONEER, ARE GUIDED BY OUR

-  **VISION:** To insure that all of our extraordinary people (members, support/teaching staffs) have a positive experience each and every day.
-  **MISSION:** To exceed every expectation through the daily advancement of our values.
-  **VALUES:** The intent of this statement is to establish positive behaviors upon which we will conduct our Corps activities. The extent to which we dedicate ourselves to the implementation of these values will determine our success.

PEOPLE: We are dedicated to the fair and equal treatment of all of our personnel. We treat each other with dignity and respect.

RELATIONSHIPS: We develop meaningful and effective relationships based on trust, responsibility, and respect.

LEADERSHIP: We will lead by example through the establishment of expectations of excellence that combines diligence, perseverance, innovation, education, and creativity.

COMPETITION: We embrace competition as an opportunity for constant improvement and measurement of the growth of our performers.

PROFESSIONALISM: We will demonstrate and expect the highest level of ethical behavior from our teaching and support staffs by always doing the right thing for the right reason and in the right way.

COMMITMENT: We expect all of our personnel to effectively complete their responsibilities by doing the very best that they can at all times. Commitment fosters success.

RECOGNITION: We recognize, acknowledge, and reward positive behaviors and results in visible ways. We will celebrate our successes and encourage those successes throughout the Corps.

TRADITIONS: We will perpetuate our Irish Heritage as our identity trademark and endeavor to be, "Better Every Day!"

THANK YOU: for choosing the Pioneer Corps. I know that there are a lot of choices out there and we appreciate that you gave us the opportunity to serve you!
